I SAID HE HASN'T
COME OUT YET!

DON'T BLOCK ME,
YOU BASTARD-!

HOW DARE YOU
SEIZE MY PROPERTY
WITHOUT MY
PERMISSION!

SHOULD I GO
TO THE COURT AND
BRING A SEARCH
WARRANT?! HUH?!

If you go any further
I will attack you
without mercy.

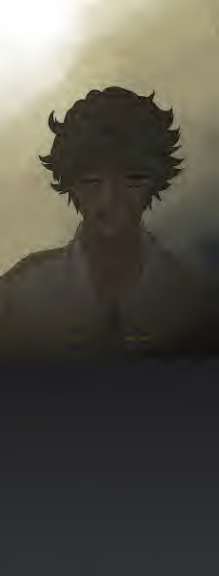

Since you're
human, I'll just
use my hands.

Abide in the Wind

Episode - Rafton

The Science Museum's Museum is not only a wonderful place to learn about the world, but it is also a place where you can learn about the world.

It's a place where you can learn about the world, and it's a place where you can learn about the world. It's a place where you can learn about the world, and it's a place where you can learn about the world.

Yes

?

What is it about?

Is it something like a book or a book? Or is it something like a book or a book? Or is it something like a book or a book?

No, a slave is
something you
own once you
buy them.

Once bought, you can do
whatever you want to them.

Here's
payment for your
useless slave.

You can even

Take this and get
out of my sight.

kill them and
no one would care.

You guys are
not pigs or cows
but people
aren't you?

No, you
can't even trust
himself like that.
How could you

Yes

Oh-oh, consent
anyone with pointy ears
is bound to be a slave

You'll be treated
like *just* another
in your master

The *Eden* family
has banned the
mistreatment of slaves
and needs *after* so you
don't know about it...

WTF NICK, YOU'RE
A PERSON!

JUST BECAUSE
YOUR EARS ARE SHAPED
A LITTLE DIFFERENTLY?
DOESN'T CHANGE THAT!

Only your hair color,
eye shape, height, and
voice is different

Yes, I want her to teach me again, since I haven't used my hidden card against her.

Again?

It's fun, no matter how many times I hear it.

This was a long time before the creation of the world.

Heaven and earth, light and darkness were just about to find their place in the universe...

...and so the
darkness that arrived
at the end of the world
cried and cried,

never to be seen again

Ever...
